Dear Hannah,

PADDINGTON GREEN POLICE STATION, 2- 4 HARROW ROAD, LONDON, W2 1XJ

REF. GLA0711 - REVISIONS TO APPLICATION FOR FULL PLANNING PERMISSION

COMMUNITY INFRASTRUCTURE LEVY ADDITIONAL INFORMATION FORM - COVER LETTER

Please see attached the updated CIL additional information form for Paddington Green Police Station.

It should be noted that this will be a Phased Development for the purposes of the CIL regulations (2010) as amended. The applicant will therefore agree a CIL phasing plan with the Charging Authority (and a relevant associated planning condition linked to this during the determination period) and each phase will be a separate 'Chargeable Development'.

The applicant will then submit the necessary forms and information prior to the commencement of each Phase (Additional Information Form, Assumption of Liability, Social Housing Relief).

Yours sincerely,

Laurence Brooker
Director, Head of Central London Planning
