

# Data Note

**Subject** Libraries  
**Project** London's Cultural Spaces: 2018-2022  
**Date** 13.01.2023

## Libraries

**Definition:** Buildings used for public and community libraries. This excludes libraries affiliated with higher education institutions.

The number of libraries has remained stable, with 346 in 2022 — two more than in 2019. Libraries are remarkably well distributed across the city and are present at a neighbourhood level across all boroughs.

### Libraries

*Space closures and new openings, 2018 to 2022*
