Greater London Authority Telephone Poll

CATI Fieldwork Dates: 25th - 28th November 2011

Absolutes/col percents 29 Nov 2011

Q.8 Some people think that we need a hub airport in the South East of England to provide additional airport capacity. Supporters say this will help the economy by improving access to business abroad and creating jobs. Opponents think that it will damage the environment and alternative ways of reaching these markets should be found.

Would you support or oppose a new hub airport being built within close proximity to London?
