Dear Samantha,

Town & Country Planning Act 1990 (as amended); Greater London Authority Acts 1999 and 2007; Town & Country Planning (Mayor of London) Order 2008

Land at Greenwich Peninsula to the south of the O2, SE10 (Greenwich Peninsula Masterplan 2015)

Local planning authority reference: 15/0716/O

I refer to your letter of 5 November 2015 informing me that Greenwich Council is minded to grant planning permission for the above planning application. I refer you also to the notice that was issued on 10 November 2015 under the provisions of article 5(1)(b)(i) of the above Order.

Having now considered a report on this case I am content to allow Greenwich Council to determine the case itself, subject to Transport for London being a party to the section 106 agreement and any action that the Secretary of State may take, and do not therefore wish to direct refusal or to take over the application for my own determination.

The application represents EIA development for the purposes of the Town and Country Planning (Environmental Impact Assessment) Regulations 2011. I have taken the environmental information made available to date into consideration in formulating my decision.

Yours sincerely

Boris Johnson
