Subject Archives
Project London's Cultural Spaces: 2018-2022
Date 20.12.2023

Archives

Definition: Buildings which are used for archives which are open to the public. There may be more than one archive held on each site.

Overview

The number of archival organisations in London has decreased from 547 institutions recorded in 2019 to 544 in 2022. Archival organisations are heavily concentrated in Central London.
