

Ethnic Group Population Projections for London

Baljit Bains

BSPS Conference, Southampton

18 September 2006

Outline

- **Background to EGPP, London**
- **Some ‘tricky’ issues**
- **Output**
 - **Ethnic Majority**
 - **Borough Ethnic composition**
 - **Economically active composition**
- **Future Developments**

Background

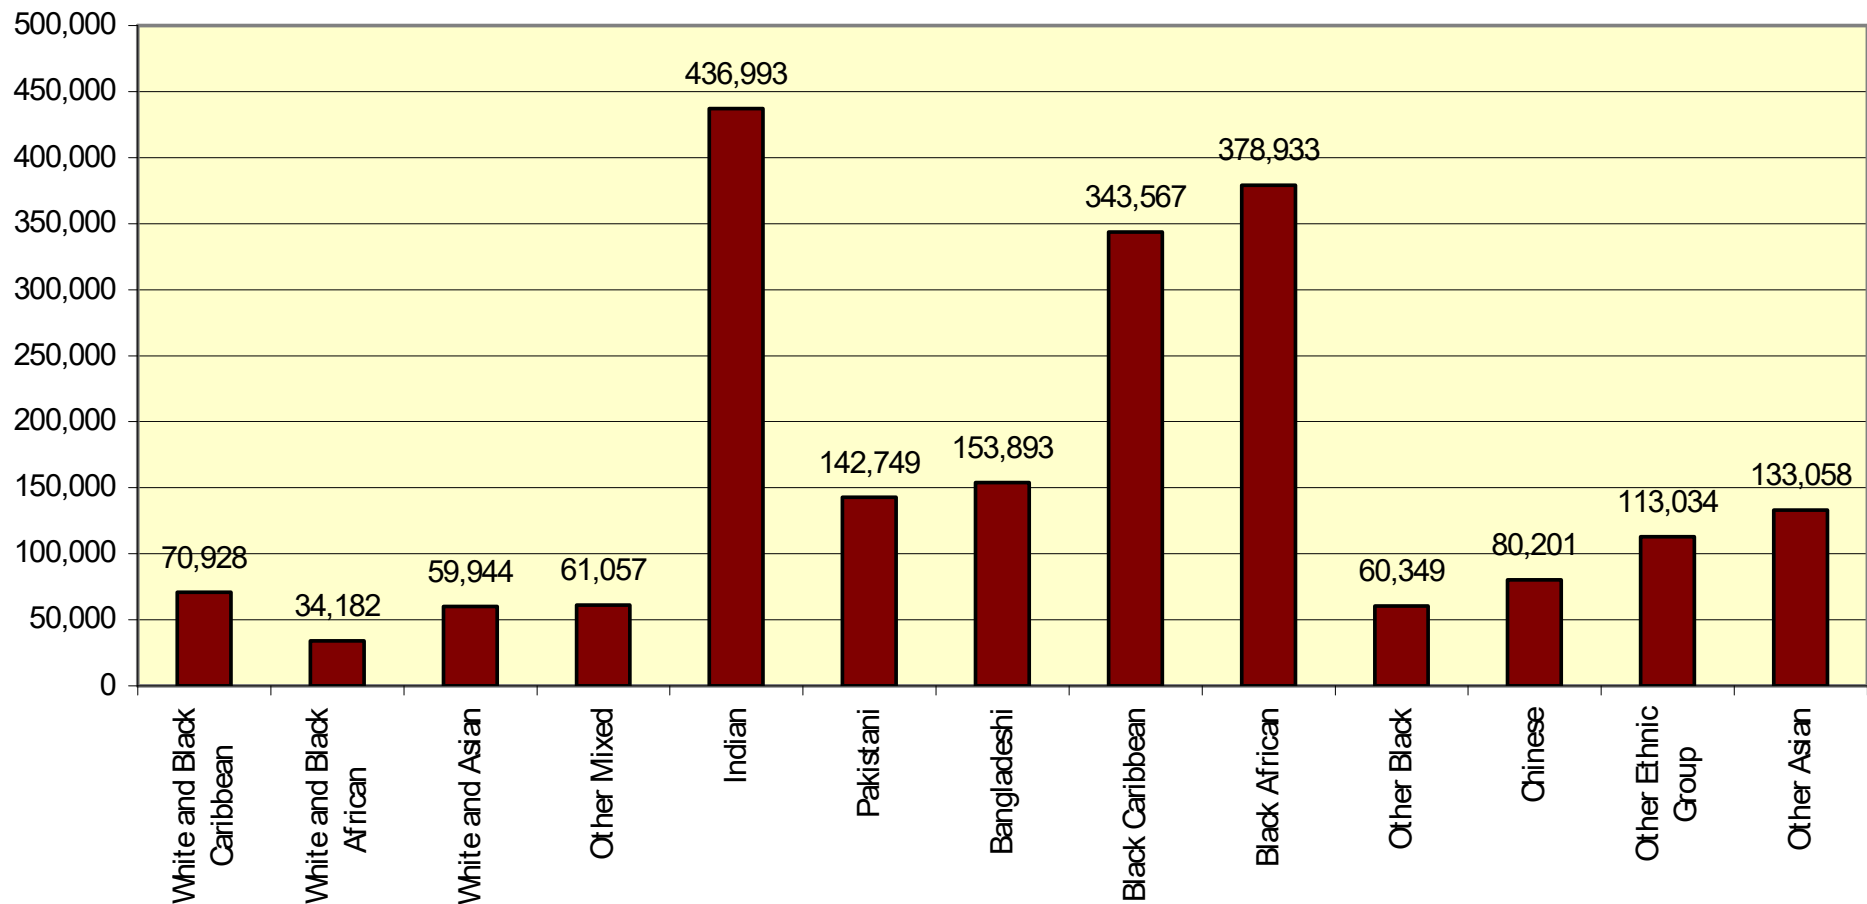

- **1991-based projections, LRC**
- **33 London boroughs, 16 ethnic groups, age+gender**
- **Extending model to 2026**
- **Strategic and service delivery requirements**
- **Diversity Monitoring**

Some 'tricky' issues

- **Level of detail, age, gender, ethnic groups, LAs**
- **Data Availability and usefulness**
- **'Mixed', 'White Irish', 'White Other'**
- **Stakeholder and Client requirements**
- **Politics v Robust Statistics**
- **External Factors.**

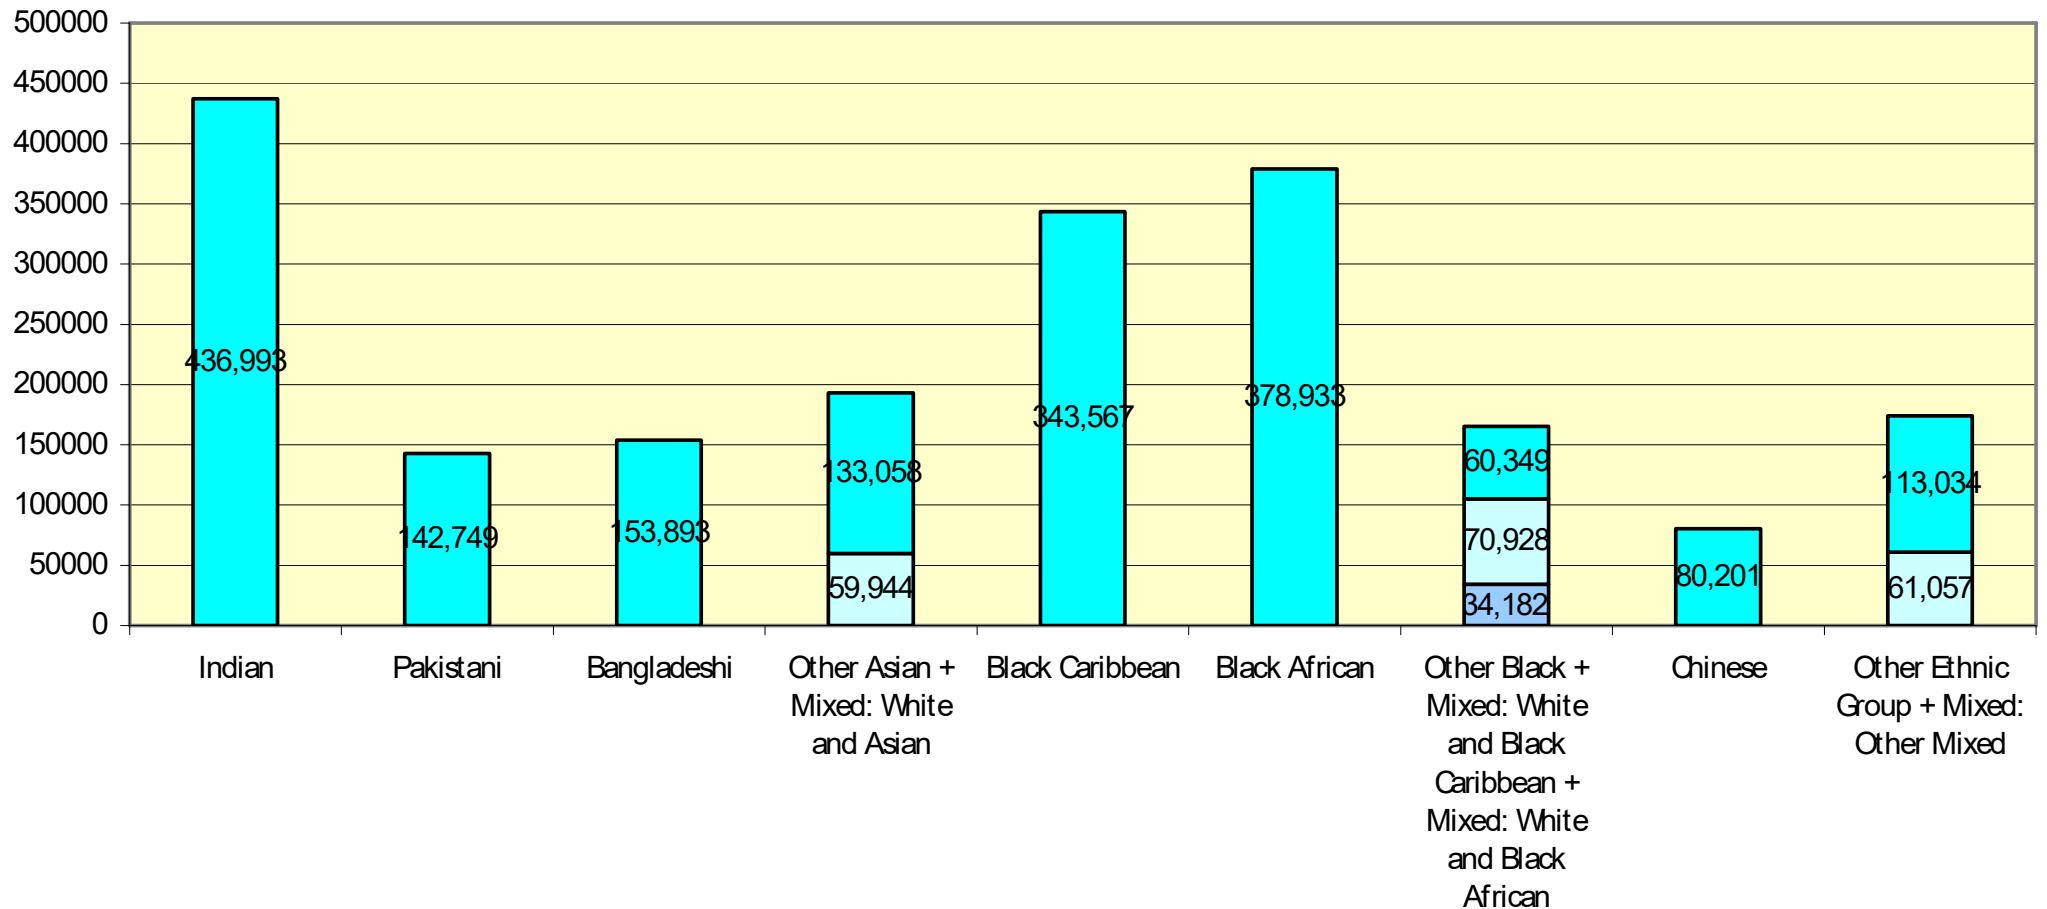

Some 'tricky' issues

Ethnic Groups other than White, Greater London, 2001 Census

Threshold

Ethnic Aggregations for Projections
