Dear Mr Landsberg

Town & Country Planning Act 1990 (as amended); Greater London Authority Acts 1999 and 2007; Town & Country Planning (Mayor of London) Order 2008
Proposed development at Cringle Dock Waste Transfer Station, Cringle Street; and Battersea Power Station, Kirtling Street, both SW8.
Local planning authority references: 2015/6357, 2015/6358 & 2015/6359

I refer to your letter of 26 February 2016 informing me that Wandsworth Council is minded to grant planning permission for the above planning applications. I refer you also to the notice that was issued on 27 February 2016 under the provisions of article 5(1)(b)(i) of the above Order.

Having now considered a report on these cases (reference D&P/0599b/0599c/2950e/02 enclosed), I am content to allow Wandsworth Council to determine the cases itself, subject to any action that the Secretary of State may take, and do not therefore wish to direct refusal or to take over the applications for my own determination.

The applications represent EIA development for the purposes of the Town and Country Planning (Environmental Impact Assessment) Regulations 2011. I have taken the environmental information made available to date into consideration in formulating my decision.

Yours sincerely

Boris Johnson
Mayor of London
