PREAMBLE

Silvertown Homes Limited (SHL) and Greater London Authority Land and Property (GLAP) have submitted a hybrid planning application to the London Borough of Newham (LBN) for the redevelopment of the Thameside West site, accessed off Dock Road in Newham (the Site).

SHL is a property development company and joint land owners of the Site. SHL has over 65 years combined experience at delivering high quality regeneration projects across London. GLAP is a subsidiary corporation of the Greater London Authority (GLA) and took over assets and liabilities from the London Development Agency (LDA) in 2012. GLAP is primarily focused on delivering genuinely affordable homes and jobs for London.

The proposal is to construct a new high-quality residential-led mixed-use development comprising new homes, new industrial floorspace, a new local centre, a new primary school and nursery school, new community facilities, a new public park (with associated outdoor play facilities), enhanced SINC and over 800m of new riverside walk along the River Thames with ecological / biodiversity enhancements. This development has been designed to focus its community hub around the delivery of a new Dockland Light Rail (DLR) station that is proposed to be constructed on the Site by Transport for London's (TfL) in 2023.

The proposals have been designed by Foster & Partners, John McAslan & Partners, Patel Taylor and the wider project team (listed, right) taking into account comments provided by local residents during summer and public exhibition events and comments provided during pre-application discussions with a variety of statutory and non-statutory interests, including LBN and its Design Review Panel (DRP), the Greater London Authority (GLA), Transport for London (TfL), Environment Agency (EA), Port of London Authority (PLA) and London City Airport (LCA).

This document is one of a suite of planning application documents submitted to LBN, including an Environmental Statement. The planning application is available to review at LBN's office or using LBN's online services:

Does the application relate to minor material changes to an existing planning permission (is it a Section 73 application)?

Yes

Please enter the application number:

No

If yes, please go to **Question 3**. If no, please continue to **Question 2**.

2. Liability for CIL

Does your development include:

a) New build floorspace (including extensions and replacement) of 100 sq ms or above?

Yes No

b) Proposals for one or more new dwellings (including residential annexes) either through new build or conversion (except the conversion of a single dwelling house into two or more separate dwellings with no additional floorspace)?

Yes No

c) None of the above

Yes No

If you answered yes to either a), or b) please go to **Question 4.**

If you answered yes to c), please go to **8. Declaration** at the end of the form.

3. Applications for Minor Material Changes to an Existing Planning Permission

a) Does this application involve a change in the amount or use of new build floorspace, where the total floorspace, including that previously granted planning permission, is over 100 sq m?

Yes No

b) Does this application involve a change in the amount of floorspace where one or more new dwellings (including residential annexes) are proposed, either through new build or conversion (except the conversion of a single dwelling house into two or more separate dwellings with no additional floorspace)?

Yes No
