

- Notes**
 Do not scale from this drawing.
 All dimensions are drawn in millimetres.
 Drawing & design copyright LUC.
 Reproduction of this drawing in whole or in part is prohibited without prior permission.
- Key**
- Application boundary
 - Existing trees and RPA
 - Existing planting
 - Existing contours
 - Building to be demolished
Including removal of all footings, foundations and drainage. Services to be removed or capped off.
 - Macadam and Concrete Paths / Handstanding
Break out and remove surface, including any reinforcement, sub-base and edging.
 - Gravel and Bound Gravel Paths
Break out and remove surface, including any reinforcement, sub-base and edging.
 - Timber Structures - Jetty's and Bridges
Break out and remove including jetty's and bridges across water channels.
 - Water Channel Retention
Break out and remove retaining walls to water channels and features.
 - Area of Artificial Grass
Artificial grass to be stripped back and removed, including any underlay and sub-base.
 - Fencing - Metal and Concrete Panel
Full panels and posts to be removed. Salvaged panels to be reused elsewhere on site.
 - Demolition Works within tree RPAs
Any demolition works within the root protection area of any existing retained trees to be carried out by hand provisionally, in order to ascertain the position of the main tree roots.
 - Golf course tees
Any hard surfaces, edges or timber sleepers associated with tees to be broken out and removed. Refer to LUC drawing no. 51365-LUC-XX-DR-L-02140 for all grass & soil stripping works.
 - Golf course greens
Any hard surfaces, edges or timber sleepers associated with greens to be broken out and removed. Refer to LUC drawing no. 51365-LUC-XX-DR-L-02140 for all grass & soil stripping works.
 - Golf course bunkers
Any hard surfaces, edges or timber sleepers associated with sand bunkers to be broken out and removed. Refer to LUC drawing no. 51365-LUC-XX-DR-L-02140 for all grass & soil stripping works.
 - Golf course mounds
Other significant mounds on golf course to be removed and re-graded to suit proposed contours. Fill material to be screened for reuse on site. Refer to LUC drawing no. 51365-LUC-XX-DR-L-02301 to 02304 for all proposed earthworks details.
- Notes:**
- Refer to the following LUC drawing for further details:
 51365-LUC-XX-DR-L-02121-02124 for information on Tree Removals.
 51365-LUC-XX-DR-L-02140 for information on Grass & Soil Stripping Works
 - All salvaged materials, furniture and soil to be stored on site for future re-use. In locations to be confirmed.
 - All materials to be retained in situ to be protected during works.
 - All cutting of macadam surfaces where existing surface is to be retained to be carried out with a circular saw in a neat straight line to allow re-bonding of new surfaces.
 - Access to The Wimbledon Club must be maintained throughout these works.
